## Brookings experts on Trump's National Security Strategy

Smith was then later imprisoned for trial on charges of treason against Illinois, but was murdered by a lynch mob while in jail awaiting trial. These principles as urgently apply to rural poverty and decay.

## The Political Detection: Or, The Treachery and Tyranny of Administration ...

Formalities notwithstanding, he regarded tribes resident within the states not as independent sovereign entities but as wards of the government and tenants-at-will. By mobilizing both public and private resources, the United States can help maximize returns and outcomes and reduce the burden on U.

Today, we rely on single domestic sources for some products and foreign supply chains for others, and we face the possibility of not being able to produce specialized components for the military at home.

## Selections from The Dangerous Case of Donald Trump

For instance, he advocated for the annexation of Hawaii for several reasons: it was within the American sphere of influence, it would deny Japanese expansion and limit potential threats to the West Coast, it had an excellent port for battleships at Pearl Harbor, and it would act as a fueling station on the way to pivotal markets in Asia.

## 1952 Democratic Party Platform

We will place a priority on economic support that achieves local and macroeconomic stability, helps build capable security forces, and strengthens the rule of law.

### **Selections from The Dangerous Case of Donald Trump**

Examples : General MacArthur was 'fired' for wanting victory. The present Administration has: Ignored the danger signals of our rising crime rates until very recently and even now has proposed only narrow measures hopelessly inadequate to the need; Failed to implement most of the recommendations of the President's own Crime Commission; Opposed legislative measures that would assist law enforcement officials in bringing law-breakers to justice; Refused to sanction the use of either the court-supervised wiretapping authority to combat organized crime or the revised rules of evidence, both made available by Congress; Failed to deal effectively with threats to the nation's internal security by not prosecuting identified subversives. They calculated that Jackson would not dare issue a veto on the eve of the election; if he did, they would make an issue of it in the campaign.
