### Asian Center for Missions

Again some form for themselves such a fallacious idea of God that when they repudiate this figment they are by no means rejecting the God of the Gospel. The key issue is not what you are doing now. This kind of pride illustrates his commitment and struggle to attain his goals.

In summary, these missionaries were set apart by the church, commended to God in prayer, and released and sent off to take up their task. Among the basic rights of the human person is to be numbered the right of freely founding unions for working people.

### Essay: Filipino Culture

In many underdeveloped regions there are large or even extensive rural estates which are only slightly cultivated or lie completely idle for the sake of profit, while the majority of the people either are without land or have only very small fields, and, on the other hand, it is evidently urgent to increase the productivity of the fields. The right of parents to beget and educate their children in the bosom of the family must be safeguarded.
