### Cold war

But it also lends itself to incredible framing, such as when our female protagonist floats down a river gradually disappearing out of shot, and later in the movie when the chief protagonists leave a bus and walk out of frame in a composition that Henri Cartier Bresson would be proud of. The death of Stalin in 1953 prefaced a brief thaw in East-West relations, but also found it more politically expedient to take a hard line with the United States than to speak of cooperation.

### Cold War

As nuclear weapons became more prolific, both nations sought to position missile systems in ever closer proximity to each other's borders. The two leads Joanna Kulig and Tomasz Kot are magnificent. By the end of the 1970s, however, the chance for an extended thaw had utterly vanished.

### Cold War

Despite the new doctrine, Kennedy was unable to prevent Soviet premier Nikita Khrushchev from constructing the Berlin Wall in 1961. She's not one to show her enjoyment in life.

### Cold war

He instituted a series of liberal reforms known as perestroika, and he seemed genuinely interested in more open relations with the West, known as glasnost.

### Cold War 2 (en)

Her frequency hopping technology is also the basis for modern Bluetooth. In fact, he expanded Social Security and the Federal Housing Administration and even set aside tens of millions of dollars for the creation of the first interstates under the Federal Highway Act. Kennedy and the New Frontier Facing term limits, Eisenhower endorsed Vice President Richard Nixon for the Republican presidential nomination in 1960.
