

# Studies in late Tertiary paleobotany.

## -- In "Dr. K's" footsteps: A glimpse of Turkey in the UCMP paleobotany collections

Description: -

Rivers State (Nigeria) -- Social conditions.  
Rivers State (Nigeria) -- Economic conditions.  
Rivers State (Nigeria) -- Politics and government.  
Rivers State (Nigeria) -- Social life and customs.  
Spiritual life.  
Church decoration and ornament -- Germany -- Pfaffenwinkel.  
Churches -- Pfaffenwinkel.  
Hermeneutics.  
Ecology.  
Education -- Curricula -- Philosophy.  
Education -- Philosophy.  
United States -- Biography.  
Poles -- Finland -- History  
Poles -- Norway -- History  
World War, 1939-1945 -- Conscript labor -- Finland  
World War, 1939-1945 -- Conscript labor -- Norway  
Organisation Todt (Germany)  
Vision disorders -- Information services.  
Vision disorders -- Periodicals -- Bibliography.  
Vision disorders -- Societies, etc. -- Directories.  
Blindness -- Societies, etc. -- Directories.  
Vision disorders -- Research.  
Blindness -- Research.  
Spanish: Adult Nonfiction  
Inspirational  
Psychology & Psychiatry / General  
Motivational & Inspirational  
Meditation  
Paleobotany -- California.  
Paleobotany -- Tertiary. Studies in late Tertiary paleobotany.  
-  
v. 77.  
Counterpoints (New York, N.Y.) ;  
v. 77  
Counterpoints ;  
Contributions to paleontology Studies in late Tertiary paleobotany.  
Notes: Includes bibliographies.  
This edition was published in 1950

## KGS

Tetracentron Fruits from the Miocene of Western North America. The Paleocene Denning Spring flora of north-central Oregon.

## CiteSeerX — American Journal of Botany 85(10): 1409

Research opportunities are enhanced by active collaborations with scientists at the Academy of Natural Sciences of Philadelphia and the National museum of Natural History, the Smithsonian Institution.

## The origin and spread of grass

Even with adequate modern vegetational and pollen data for comparison, intuitive interpretations of fossil data may be misleading Davis, 1963; Janssen, 1970. The plant fossil record offers access to these processes on several scales of time and space through study of specific aspects of ancient plants and plant communities. Middle Paleogene palynology of Central Colombia, South America: A study of pollen and spores from tropical latitudes.

## Studies in Neotropical Paleobotany. I. The Oligocene Communities of Puerto Rico on JSTOR

Although the site lies between the documented occurrences of spruce at Wichita and Muscotah Marsh, spruce seems to be absent in the vicinity of Sanders's well. Novon, a journal for botanical nomenclature, began in 1991 and contains papers establishing new nomenclature in vascular plants and bryophytes.

Cambridge: Cambridge University Press, 237 pp.

**Paleobotany**

Gregory and Chase 1992 applied a physiognomic multivariate correspondence method to determine the MAT of the Florissant flora and the lapse rate calculation of Meyer 1986, 1992 to find the paleoelevation. Not only will it give us new insights into the Neogene vegetation and climate history of western Eurasia, but it will also help us better understand the phytogeographic links between Eurasia and North America. Mid-Cretaceous angiosperm leaves from a new fossil locality in Lebanon.
