His hair is thick and snow-white, his face is ruddy, and his eyes, behind glasses with amber-colored frames, stared with a sort of fierce blankness at Freed, who was showing him a report on the box-office receipts of his latest musical, then playing at the Radio City Music Hall.

ANDY CAHILL: Home

This is where I got frustrated with Shearer's biography since he seems to recount the facts of their relationship without any attempt to examine them. Now, said the soldier, get rid of the wall! He approached a log on top of a mound of earth, spurred his horse, and made a smooth jump. And as thrilled as it makes me, as someone who spends most of her day making a case for the cultural and historical importance of stars, to celebrate Lamarr, I'm also super wary of doing so uncritically.
