London Clubs, Their History & Treasures by Ralph Nevill

Cobbett, the business in its entirety has been greatly extended, and the enlarged facilities afforded by the new premises in Piccadilly are calculated to promote a further rapid increase in the trade of this representative and highly reputed concern.

02 Apr 1896

It is the glory of my old foster-mother, London, I would celebrate ; it is her virtues and her crimes I would record.

16/09/1837 The Birmingham Journal

The tomb was the work of William Torel, a London goldsmith. Bibliotheca medica et mathematica Anglo-Latina, cuiusdam med. Physiology has an important i: lace because of the conviction that any educational scheme which leaves the scholar ignorant of the organs and functions of his own body, and the healthful use of them, is a travesty.

The Miner

Ill man because he did not happen to know Greek? A Riot in a Theatre.
