Art and Sol Performing Arts Program

I loved the way they communicated with each other and I really felt how compatible they are. This was my second book I've read by this author. Nature and conservation play a huge role in her daily life and is often depicted in her art work.

Cherry is such an amazing storyteller. From friendship forms an unlikely romance. There were numerous times while I was reading the words struck me so vividly I had to stop and just stare 4.

Art & Soul

When I saw this author had a new book coming out, my excitement level was off the charts. She has taught many high school, college and career training classes in the arts.

Art and Sol Performing Arts Program

Skills from multiple genres and a little art history are integrated into her workshops.
