Summary: The Seven Principles for Making Marriage Work

The secondary characters were added depth and conflict and were also very well drawn, and equally affected by the outcome of Roy and Celetia's marriage. The damaged piece has since been moved to a public area indoors.

About The Author

Previously he has worked as editor of the international literary journal The Broome Review and the Stephen Dunn Prize in Poetry, and from 2009-2010 was selected as the first Broome Country Poet Laureate.

Relationships

An American Marriage was outstanding. So Soon to be Dust , a servant of the Bradfords, tries leaving the village to find help.

Year of Wonders Summary

Everett De Morier (Author of The Invention of Everything)
