## Converse Florist

By Dianne O'Connell bluebeard Deciduous shrub I frequently use this perennial as a small shrub in a sunny location.

## Moneta Florist

I had not expected it to be as great as it was, but mind you the six panels are set up for winter production at an angle of 34+ degrees and they face dead on to the winter sun. This lot is very wooded but there are mowed paths all through it. Starting Sunday, temps are getting into the upper 80sF.

## Perennials for Season

Plus it is just plain fun for me! The thicker foliage is blue-green and is rather short.

## Bright Before Your Eyes Flower Arrangement in Manchester, IA

The politicians following a neo-liberal cant on the other hand have been hell bent on taking public holidays away all for our supposed good.

## Moneta Florist

Too many projects already for this summer.

## A good use for a Temporal Anomaly

It may have been a sugar beet as they look like a bit like that, and can get quite huge.

## Perennials for Season

Such branches tend to fall without notice and cause damage. A point of view or position they want to present as Gospel Truth.
