American Conservatism at a Crossroads

Among those ages 18 and older, 31% of blacks were married in 2017 compared with 46% of Hispanics and 54% of whites.

This Is What the Future of American Politics Looks Like

Only the underlying composition of the eligible electorate changes, with different groups growing and shrinking in size over time. Socialism's slow creeping versus the preservation of our Constitution.

A Vote at the Crossroads

James Carville: 2002: We've got to stand FOR something. More important, it is irreversible. What will that political future look like? It was a moment of important political education for me, watching the election returns in 1992, when the cameras went to Orange County CA Republican headquarters during the evening.

Republicans at a Crossroads

Al Sharpton: Protect American rights; question the Patriot Act.

Crossroads: The Future of American Politics, by Andrew Cuomo

While there is much that remains to be seen, interested observers may find that Sasse, Hogan, and Rubio are three pivotal players to watch as the process unfolds. And a new era is beginning, but not in the way most people think. The Democrats' agenda, if they get a majority in the Senate, includes turning a city -- Washington -- into a state, with two Senators.
