## The Mission of the People of Israel

They Fed + Provincial deprive our rights. If those years are adjusted to the modern solar calendar, the result is 2,484 years.

## The Mission of Israel in the Old Testament

In the first sentence, I said Arabs were a majority in Palestine. He has talked about Me.

## Israel News

We hear about the up-close and personal experiences in the air and on the battlefield, but we are never fully permitted to gain familiarity with the individual. At our side are the six million martyrs.

## Moses, Jesus, Muhammad: Three Men, One Mission

We all can't get hired by McDonalds, people will revolt and the rich and politicians who fattened their pockets will be strung from trees. And while some people may seem content with the story as it stands, our view is that there exists countless mysteries, scientific anomalies and surprising artifacts that have yet to be discovered and explained. A climactic series of plagues forced the king to release the Israelites.
