Policy Responses to COVID19

At end-July 2020 the authorities approved the following new measures: i for three months, exempting industrial companies operating in the industrial zone and exporting more than 30 percent of production from paying rent; ii exempting companies hardest hit by the crisis from paying the commercial record registration or renewal fee for 2020; iii exempting households from paying municipality fees on their first residence for three months; and iv exempting tourist facilities from paying the tourism fee for the third quarter of 2020. There are 5 steps, from quarantine to advanced opening, which municipalities will transition through in accordance to several criteria, such as the reproduction rate of the virus, hospital bed occupancy and projected rate of regional active cases.

How worried should you be about the federal deficit and debt?

To support liquidity, the RBA conducts one-month and three-month repo operations daily until further notice.

FASB Response to COVID

Restrictions remain in place and include a curfew on most businesses from 11:00 pm to 5:00 am, limitations on the number of people who can attend public gatherings, requirements to wear masks in outdoor and indoor public spaces and on public transportation.

The National Debt Dilemma

As part of its efforts to keep the economy growing in the face of near-zero short-term interest rates, the Federal Reserve has been buying lots of U. Most budget reform plans also seek to raise tax revenue, whether by eliminating deductions and other tax subsidies, raising rates on higher earners, or introducing new taxes, such as a carbon tax.

Fair Debt Collection Practices Act (FDCPA) Violations

It has approached donors seeking budget support.
