The meaning of Maldon

Lamponia 32 28 Consumption After Trade 24 20 SUGAR Millions of pounds PPF 8 A 4 0 0 4 8 28 32 12 16 20 24 LEMONS Millions of pounds True or False: Without engaging in international trade, Maldonia and Lamponia would not have Transcribed image text: As you did for Maldonia, place a black point plus symbol on the following graph to indicate Lamponia's consumption after trade.

As you did for Maldonia, place a black point (plus)

The edition used here is that of Elliot van Kirk Dobbie, in The Anglo-Saxon Minor Poems, ASPR vol.

Byrhtnoth and Hildebrand: A Study in Heroic Technique on JSTOR

An earlier version of this paper was read before the AULLA Congress in Wellington, New Zealand, in 1977. Enough has been said about the implications of ofermod elsewhere cf.

Byrhtnoth and Hildebrand: A Study in Heroic Technique on JSTOR

The men rush in joy to their ships, only to be told that Agamemnon had not meant what he said. For however much or little we may know about Anglo-Saxon society, we are still going to respond to the poem, as to all literature, as twentieth century readers, and can only interpret it satisfactorily within the scope of our own experience.
