But they must be given a moral evaluation in reference to the dignity of the human person, who is called to realize his vocation from God to the gift of love and the gift of life. They all believe they are unique.

## Vitality

It is, therefore, helpful to see the life cycle of churches so we can at least understand visually where our church resides currently, and where it may be heading. #### **Second Life Cycle Blues**

The local faith communities began to meet — with TBH taking the lead — to determine what we could do regarding the work of immigrant justice. When the State does not place its power at the service of the rights of each citizen, and in particular of the more vulnerable, the very foundations of a State based on law are undermined. I relished the practice of serving the communion elements by intinction.
