## Born Free (1966)

New York: Avon Books, 1968. The cubs are not inclined to drink milk from a bottle and seem to be intent on starving themselves to death, but the Adamsons persevere. How does one begin to describe Elsa's Kopje? MORE Photos of Elsa's Grave in Meru National Park.

## Elsa's Homepage

Elsa died from a tick born disease called Babesia. Many thanks go to Mike Stoakes the son of Geoff Stoakes you see in the movie who provided this unique movie. .

## The lion who lived in our flat: The incredible story of the flatmates who raised a cub

The elephants were nearly all gone and the lions had been killed or driven away, even Tony Fitzjohn's favourite leopard was poisoned.

## Born Free

We developed a habit of glancing nervously over our shoulders. Falling in love with a wild animal can like all affairs happen to anyone at any time. We liked to imagine that he had established a territory and pride of his own a long way away.

## Elsa's Homepage

When grown up two of the cubs are sent to a zoo in Rotterdam, however they opt to keep the youngest 'Elsa' and guide her through the troubles of being reintegrated back into wild with mixed results.
