## Book Review: Wrong Alibi by Christina Dodd

I am always intrigued by his work. This is a murder mystery, a love story and a very good novel. Yet the athlete swears his innocence and threatens both his lawyer and his accuser.

### ALIBI

#### Alibi by Joseph Kanon

The ending was brilliant and featured no loose ends or characters left hanging while you wonder what became of them.

#### The Perfect Alibi

I liked the book but somewhere half way I got tired of the ways Claudia and Adam were trying Adam more than she to minimize the consequences of their deed.

#### The Perfect Alibi: A Novel

The story was strong and its scientific element did not drown out the effectiveness of the legal arguments.

#### The Perfect Alibi: A Novel

Even worse, I figured everything out VERY early on.

### ALIBI

Once again breaking the rules and establishing new paths, Grafton wastes little time identifying this sociopath.
