## Flute Literature

Translated and edited by Ardal Powell. I have given these explanations so minutely, because the certain speaking and pure quality of tone of a flute depends in a great measure upon a perfect closing of the key, and this again upon a good padding. Depending upon whether the air stream is directed more or less below the horizontal as it is blown across the flute, there develops from the fundamental tone of the flute tube, with all the holes, closed, the so-called aliquot or harmonic over-tones; e.

## The Flute And Flute Playing Book (AP.6

For a final cadence, or a fermata, it should gradually increase in speed, and there should be a swelling out and a diminishing of the tone strength.
