## Cooper's Leather

Hawkeye , does not support the British cause.

## The Last of the Mohicans and the Holocaust

When I first contemplated writing this book, I did not think I had a thesis beyond a general dissatisfaction with the tendency of criticism on Cooper and the lack, then, of a full study of all five Leather-Stocking novels. James Fenimore Cooper's Leather-Stocking tales, published between 1823 and 1841, are generally regarded as America's first major works of fiction.

## Competing Environmental Ethics in Cooper's The Pioneers

Student Companion to James Fenimore Cooper. In the discussion that follows, I will examine popular as well as scholarly interpretations of The Last of the Mohicans, and I hope to show that at least some popular interpretations demonstrate significant insight into and understanding of the story that Cooper sought to tell.

## Cooper's Leather

The surviving tribes withdrew, but in a few years their territories were surrounded by the improvements of the Europeans; in consequence of which they grew lazy, inactive, unwilling, and unapt to imitate, or to follow any of our trades, and in a few generations, either totally perished or else came over to the Vineyard, or to this island, to re-unite themselves with such societies of their countrymen as would receive them 123. Gardiner, North American Review July 1826 , in Fenimore Cooper: The Critical Heritage, eds.
