### Cusco Mágico 7

From must have travel products to breathtaking destinations, Tripadvisor has you covered! We highly recommend them to do your trip to Peru, for one day tour or for all your trip. On day 3, when we were to be picked up at the hotel in Lima for our flight to Cusco, the tour guide picked us up 30 minutes later than he told us to be ready, which worried us greatly that we would miss our flight since he had our plane tickets.

### Machu Picchu

Bring your reusable water bottle.

### Cusco Magico 6

The nearest airport is Alejandro Velasco Astete International Airport, 1 km from Cusco Magico 6 - Mini Departamento Santa Ursula.

### Cusco Mágico 1

The Government created the 'Pueblos Mágicos' program to recognize places across the country that have certain characteristics and traditions that make them unique, and historically significant, offering magical experiences to visitors. The quality of our hotels was maybe even higher than what we were expecting and all transports booked buses, planes and vans were on time and reliable.

### A Stairway to Heaven

Popular attractions Plaza de Armas and Cusco Cathedral are located nearby. Esta andenería circular es una suerte de laboratorio andino en el que crecían distintas variedades de papas y que aún hoy continúa siendo utilizado en esta tarea, pues el verdadero tesoro andino fue y sigue siendo este famoso tubérculo que hoy es un legado para la humanidad.
