Even though the perceived connection between social studies and coaching has been negative since the Cold War, in reality, coaches today continue to embrace the rhetoric of virtue and citizenship constructed at the turn of the century. Thus, as passive citizens, women were relegated to the private sphere, with a public voice only manifesting itself through issues considered feminine Landes 1988.

The historical origins of social studies teacher as athletic coach.

Although now claimed as the first tour of the rugby union British Lions, the tour was in reality opposed by the rugby authorities.

William Webb Ellis

How did soccer avoid a split over professionalism in 1885 but rugby tore itself apart over the same issue in 1895? Since the Enlightenment,

historical constructions of citizenship have been gendered masculine. Pioneers of Māori rugby, the tourists won the hearts of many supporters but incurred the wrath of the English rugby authorities, leading to rugby's own mini 'Bodyline'-style controversy.

Origins of Football: History, Ideology and the Making of 'The People's Game'

But it is also an issue in studying early forms of club football. The Social Studies Wars: What Should We Teach the Children? Coaches in high schools today feel tension between their roles as coaches and teachers, and often choose to focus coaching. The development of the Cold War in the second half of the twentieth century changed the emphasis of history and social studies.
