Hamites

For instance, in Rwanda, and officials in the colonial period displayed preferential attitudes toward the Tutsis over the Hutu. However, since the three Hamitic branches have not been shown to form an exclusive phylogenetic unit of their own, separate from other Afroasiatic languages, linguists no longer use the term in this sense. Computer File Culture: Culture name from the Outline of World Cultures OWC with the alphanumeric OWC identifier in parenthesis.

The southern Nilo

Of Ham's four sons, Canaan fathered the ,

Author: Author's name as listed in Library of Congress records Huntingford, George Wynn Brereton Title: The southern Nilo-Hamites Published in: if part or section of a book or monographEthnographic survey of Africa ; East Central Africa -- part 8 Published By: Original publisher Ethnographic survey of Africa ; East Central Africa -- part 8 London: International African Institute. .

Hamites

According to , the Hima King Mutesa I also claimed Oromo Galla ancestors and still reportedly spoke an idiom, though that language had long since died out elsewhere in the region. In his book The Mediterranean Race 1901 , he wrote that there was a distinct Hamitic ancestral stock, which could be divided into two subgroups: the Western Hamites or Northern Hamites, comprising the of the Mediterranean, Atlantic and Sahara, Tibbu, Fula, and extinct , and the Eastern Hamites or , comprising Ancient and Modern Egyptians but not the Arabs in Egypt , , , Abyssinians, Galla, Danakil, , Masai, Bahima and.

Hamites

European colonial powers in Africa were influenced by the Hamitic hypothesis in their policies during the twentieth century. .

Hamites

His conclusions would establish the foundation for the American School of anthropology, and would also influence proponents of. Huntingford
