Another aspect of the course will involve analysis of texts and images: descriptions and depictions of cities past and present, cartographic representations, and literary evocations of real and fictional urban environments. Women, whatever their economic and social milieu, continued to be at a disadvantage in securing and holding jobs for pay, in their familial relationships, and in the political arena.

**Women, Culture, and Politics in Latin America**

To recommend virtue, moderation, and piety to sovereigns is, doubtless, inculcating the truth ; but it requires something more than bare axioms, something circumstantial and engaging, in order to make a durable impression. The scene is then transferred to the palace. Historietta ou Istoria amorosa de Hippolito Buondelmonti e Lionora di Eardi in ottava rima, attrib.
