## Foundation : b

The emergence of Hip-Hop as a cultural phenomenon during the decade of the 1970s characterized a pivotal cultural shift in America. In reality, however, b-boying is a deeply traditional and profoundly expressive art form that has been passed down from teacher to student for almost four decades.

## Foundation on Apple Books

While this article centers on MCing, the art of breaking is discussed, as well. Foundation gives voice to these often forgotten actors in hip-hop history, giving us all a clue about the genius that literally sits at the Foundation of Hip-Hop. Through socialization into the Hip-Hop scene, B-boys learn the values of the breaking community, such as originality and inventiveness.

We offer many other periodical resources and databases that have been recently enhanced to make discovery faster and easier for everyone.

## B

World of Dance photo shoot image of Les Twins In addition to the globalization of B-boying, the 2000s also brought the dawn of the Internet, and major changes in the B-boy community; like many other aspects of society, the Internet greatly its altered the dynamic.

## Foundation : Joseph G. Schloss : 9780195334067

Additionally, Schloss provides a nuanced study of B-boying in its social context. After reading it I made Foundation required reading for our organization. Email communications By adding Zookal Study Premium or Premium Free Trial, you agree to receive email communications from Zookal.
