## War and Peace in Indochina

The six most important points made by the Chiefs are these: 1 A recommendation for early implementation of military aid programs for Indochina and the other states of Southeast Asia, with funds already allocated to the states of Southeast Asia, to be delivered at the earliest practicable date and to be augmented as a matter of urgency with funds from the unallocated portion of the President's emergency fund. In so doing, this volume also highlights the changing character of diplomacy at the beginning of the 1990s, when, at least temporarily, an era of military confrontation among the major world powers gave way to political management of international conflicts About the Author Richard H. Tu Duc had a bitter hatred for the French missionaries and their Vietnamese converts and embarked on a fierce campaign to eliminate Christianity from Vietnam.

## HSC Modern History Part 4: International Studies in Peace and Conflict

Whether this conclusion has any implications outside the East Asian and Southeast Asian region remains unresolved.

### What is Indochina? How Many Countries are Included?

Finally we take a look at alternative explanations of East Asian peace and see whether, instead of the ASEAN Way, the phenomenon could be explained from outside the subcontinent, thus making references to subjective approaches in the region unnecessary.

## HSC Modern History Part 4: International Studies in Peace and Conflict

Thus, the Vietnamese continue to convey to foreign visitors their interest in improving ties with the West, and especially the United States.
