Andrea Granchi

This caused a difficult conflict between Gramsci and Togliatti which they never completely resolved.

Andrea F. Granchi @ artavita

Gramsci died on 27 April 1937, at the age of 46. The viewer can discern in his works from different years evocations of the art of Ancient Egypt, of the black-and-red imagery of antique pottery and, at the same time, of certain principles of film-making, including the techniques of using effects of freeze-frame in infinite alternation. On 21 January 1921, in the town of, the Partito Comunista d'Italia — PCI was founded.

These glazed pottery pieces were made in 2018, and in them a certain self-mockery typical for the artist takes on grotesque overtones, becoming sublimated into that supreme form of selfexpression, grotesquerie. Gramsci was also plagued by various internal disorders throughout his life. Capitalism, Gramsci suggested, maintained control not just through violence and political and economic coercion, but also through.

Andrea GRANCHI (1947) : Auction sales, auction indices and biography of Andrea GRANCHI

In deliberately avoiding any mention of the titles of Granchi's works, and only reproducing some of his creations here, this brief essay leaves room for other opinions about his diverse artwork: featuring many nuances of meanings as it does, it is certain to give rise to complex associations; it does not fit into well-established notions or formulae, although all of Granchi's pieces bear the imprint of their creator's unique personality. In ; Harris, Laurence; ; eds. The Albanian origin of his father's family is attested in the surname Gramsci, an Italianized form of Gramshi, that stems from the of the placename , a small town in central-eastern Albania.
