'Gerald Massey: Chartist, Poet, Radical and Freethinker'.

See the Northern Star, 5 Jan. Lecturing and Literary Work, and Dr Hancock- Beaulie, Director of the Athenaeum Indexing Project, City University Library, kindly provided me with information prior to their online project publication. During that year spiritualism experienced a severe setback when a practitioner from America was accused of fraud and swindling.

Five Browning Letters Related to Chartism and the Working Classes

Messianism, in short, allows the historical subject to feel both hope and despair, optimism and pessimism, agency and powerlessness as constituent parts of a unitary historical process rather than as conflicting drives which in the very process of their apprehension threaten to rend that same subject. The prominent Northern Star and National Trades' Journal printed around forty thousand copies of their paper each week during their peak in the 1840s, and favoured submissions of poetry from working class readers.

Finally, I must add, as I have reiterated later in the book, that account must be taken of the advances in research and their results since Massey wrote his 6 volume trilogy.

190: Gerald Massey

Ideally, as in this poem, the three temporal states cohere in an alignment which sees the present transform itself into but also by means of a future capable of redeeming the suffering of the past. The conclusion of the letter is at Aukland Public Library. The contrast between heroic past and degraded present provides a theme for many Chartist writers and Massey is no exception to this general rule.
