it was clear that many foreigners were now planning a longer or even permanent stay in Germany.

Development of higher education and employment in the Federal Republic of Germany

Therefore, the Parliamentary Council, a kind of constituent assembly made up of delegates from state parliaments, attempted to draw conclusions from the failure of the Weimar Republic: it overcame what were considered major structural defects in the Weimar Imperial Constitution, primarily the dual structure of the parliamentary and presidential system.

Development of higher education and employment in the Federal Republic of Germany

Details regarding the establishment and the operation of the connection network shall be regulated by a federal law with the consent of the Bundesrat. This provision shall apply, mutatis mutandis, to salaried public employees other than civil servants or judges whose employment cannot be terminated at will.

Development of higher education and employment in the Federal Republic of Germany

Without the new rule, these children would have appeared among the statistics on the foreign population and therefore would have increased the number of foreigners by about 80,000. The rules of procedure may permit exceptions with respect to elections to be conducted by the Bundestag.

Education in the Soviet Union

Politics and the media are frequently said to have a purely western dominated point of view, and their focus on the special situation in the east is either non-existent or inadequate.
