## 20 results in SearchWorks catalog

. Nowadays, there are many publications and art-related programs toward international attention with in-depth studies on Korean contemporary artists; however, not the same amount of efforts and opportunities are given for curators and art critics. A year project, 'brilliant critics' successfully completed writings of 10 'brilliant' Korean contemporary art critics ranging from emerging, established and senior levels.

## 20 results in SearchWorks catalog

We believe that art critic must stand on the ground to enhance competitiveness of Korean art and 'brilliant critics' is the result. .
