### Socialismo utopistico

The editors and contributors of these newspapers were seen to be calling for insurrection and were to be prosecuted on criminal charges. Mussolini, at first not interested, decided to dictate the story of his life to Arnaldo Mussolini, his brother.

### Socialismo utopistico

Fearing a revolt by his own militants, Mussolini decided to drop all pretense of democracy. Less robust forms of protest included marches on landowner manors and government offices, as well as withholding and storing grains rather than selling them. Lenin expressed his confidence in the success of the planned insurrection.

### PER UN SOCIALISMO DEL SECOLO XXI

Sembra normale e ovvio usare questa parola, ma essa non è neutra né innocente. Though many gerarchi like Balbo were not keen on closer relations with Berlin, Mussolini's control of the foreign-policy machinery meant this dissidence counted for little. He had been convicted for this in absentia.

### I comunisti e la storia delle rivoluzioni socialiste del '900

On 5—6 July, attacks were made on the editorial offices and printing presses of and on the , where the Central Committee and the Petrograd Committee of the Bolsheviks were located. In 1924, Mussolini saw that three of his children were given. During this time, he contracted.
