### 4 Tips for Building A Relationship Between School and Community

Think about how you connect the hands-on work with your curriculum

#### Role of the school in the community — Summits Education

But what many schools and educational institutions overlook is the fact that high rates of student success are generally the result of three groups collaborating to provide the best opportunities for the future—teachers, parents, and the community.

#### Top Benefits of Family and Community Engagement

The ECU Community School opened in the fall of 2017 for grades 2 through 4 and will expand over three years to eventually serve students in grades Pre-K through 5.

#### Top Benefits of Family and Community Engagement

This time let the students communicate what they hope and wish for their school and encourage them to ask for mentoring and support. Speakers and Bloggers Some teacher leaders enjoy speaking at professional conferences and community meetings about their area of expertise or as a representative from their school.

#### Promoting School Support Throughout Your Community

League schools provide creative examples of community involvement in schools. Districts across the country are building windows and opening doors to make more room for community involvement. Begin a Volunteer Reading Program How: Ask people in the community who would like to get involved with the school, but do not have children who are in school, to volunteer as part of a reading program for students with lower reading levels. Between the busy schedules of educators and nonprofit staff, it can be difficult to find an effective balance that serves all parties involved.
