## Ujamaa Residential College

On-Campus Housing: During your co-op work term, call the Housing Office in RPCC 607-255-5368 to apply for on-campus housing for when you return. Guests are expected to observe all University rules and regulations.

## Contact

If you have a question about our program's offerings, contact the relevant staff member below. They are the students who would have been in except for the fact that they have souls.

## Centers & Institutes

Required Documentation Records from point-of-sales system or subsidiary system

## Cornell University School of Industrial and Labor Relations

The school's international program hosts scholars from other nations to conduct research in Ithaca as visiting fellows. Eligible employees may enroll in a NYSHIP plan or add eligible dependents up to age 26 at any time, but may be subject to a 10 week waiting period before their insurance is effective. The rates are federally negotiated or university-approved.

## Cornell University

Contracts bind the university to a set of specific terms and conditions and involve a related reciprocal transfer of something of value to the sponsor generally, a corporation. CCE's regional agriculture teams provide research-based information, educational programs, and technical assistance to dairy, field crop, vegetable, tree fruit, and grape producers all around New York State. Typically, employers hiring for the spring semester will recruit through early and mid-fall.

## **Auxiliary Enterprises**

The School at Cornell University.
