## This Other Eden by Ben Elton

The theme of environmental destruction is a tad too serious to be used for comedic purposes and to be treated lightly, I feel. And the overarching themes really are relevant. If you are however I would say to pick it up immediately.

## A Short Analysis of John of Gaunt's 'This sceptred isle' Speech

Part of the problem is it's supposed to be satirical and some of the stuff he satirizes, we are so far past at this point. What these characters go through and still come out the other side kept me reading into the night.

## This Other Eden (film)

This book is a 5 megaton starload of awesome. Hoddy's eventual pitch to Tolstoy accidentally lights on the Big Idea not that big an idea—the notion of the elites creating the crises that enables their oppressive strategies has been around for a while for his plot which is actually Tolstoy's biggest secret. A small town plans to erect a monument in memory of an IRA rebel killed during the 1920's.

## This Other Eden (Eden, #1) by Marilyn Harris

Thomas is, at the beginning of the book, a spoiled brat. No matter he is more than twice her age she is 16, he is 40 , he lurks in the background plotting to have her and willing to do any unethical thing to achieve his goal.

## This Other Eden — Kitty Whately

It was published in 1993, at the height of his popularity, and it has the distinct feeling of a protest novel. For Gods sake, let us sit upon the ground And tell sad stories of the death of kings. I think I'll add my stamp and pass it on to next victim
