This is not a perfect world: Frederick Abinger (Tom) Warder

The clearness of his understanding, however, and his business-like habits, gave him a peculiar advantage upon such matters ; and he retained his hold over it, and, as it were, an almost exclusive possession of it, during the whole of his Parliamentary life. In the long run, yes, perhaps; the history of our race justifies that hope.

Rhymes for beaters — strict — end — Rhymebox rhyming dictionary

Nagging and stinging night and day, it is the undying worm, the worst of our foes. But in proportion to his services in this line of reformation, was the clamour which his operations excited against him. The decision came, which he reckoned the result of the battle, and he could trace no connexion between that and the preceding debate.

Abinger

I do not want to exaggerate the claims of freedom. The great difficulty of answering this question must be confessed; nor is it lessened by the reflection that at the head of the Government in those days there were men whose prudence was more striking than any other quality ; men cautious, unpretending, commonplace, and loving place, like Lord Liverpool ; wary, cold, circumspect, though of unflinching courage, like Lord Castlereagh ; far-sighted, delighting in seeing all difficulties that existed, and many that did not, like Lord Eldon ; above all, so firm-minded a man as the Duke of Wellington, — a man, too, so honourable in all his feelings, and so likely to influence the councils, if he failed to turn aside the desires, of the Sovereign.

A Last Sheaf

He is unique in being immensely serious, and in connecting good prose with liberty. Well, what is one to do? Here are the chiefs of police and the card-indexers, and the takers of fingerprints, and Creon, King of Thebes, who issued the fatal edict, and the silencers of Lorca. With the pursuits of the bar he perhaps unjustly conceived that this kind of partizanship could be more easily reconciled; but the indelible nature of English orders prevented him from being admitted a member of the legal profession ; and he was thus thrown upon the world of politics and of letters for an occupation.

We notice e-book readers, we don't notice books. They believed that a little energy and intelligence would accomplish this.

Ginger Poems

Why are they so good at organizing these lighter happinesses? The comfort which we now have under this unpleasant recollection, is derived from an assurance that such never could be the case in the present times.
