Joint authorship and discussion within the book is used to offer dialogue and responses between different contributors. This history of Odessa not only reveals the neglected European past, but also imagines the future of the European continent, explaining the role of migration and mechanism of cultural transport. Varunaj Churnai attempts to redress the latter interpretation and treats the book of Job, and its development and understanding of death, contextually.

Tony Hill and detective Carol Jordan from the international bestselling crime writer. Satan is described as a giant, terrifying beast with three faces, one red, one black, and one a pale yellow: he had three faces: one in front bloodred; and then another two that, just above the midpoint of each shoulder, joined the first; and at the crown, all three were reattached; the right looked somewhat yellow, somewhat white; the left in its appearance was like those who come from where the Nile, descending, flows.

It also contains a synoptic tabulation of the Nürnberg plays, valuable to both drama specialists and medievalists. It examines how the legend adapted to each new period and assimilated the new ideas and fashions of the societies for which the authors were writing, over a period of seven centuries. Round 1 is named Caïna, after Cain, who killed his brother.
