**The life of Edward Earl of Clarendon, in which is included, a continuation of his History of the grand rebellion : Written by himself. Now for the first time carefully printed from the original MS preserved in the Bodleian Library : Clarendon, Edward Hyde, Earl of, 1609**

He had all those qualities which in youth raise men to the reputation of being fine gentlemen ; such a pleasantness and gayety of humour, such a sweetness and gentleness of nature, and such a civility and delightfulness in conversation, that no man in the court, or out of it, appeared a more accomplished person ; all these extraordinary qualifications being supported by an extraordinary clearness of courage and fearlessness of spirit, of which he gave too often manifestation.

## Life

State of the duke of York's family.

## The Life of Edward Earl of Clarendon Written by Himself 1st Edition Oxford 1759

They looked upon him as the sole person who still supported his own model, and were well assured that if he were removed, the army would be still the same, and appear in their old retrenchments; and therefore they entered into several combinations to assassinate him, which they resolved to do with the first opportunity. When the Royalists surrendered in June 1646, Hyde went into exile with the Prince, who became king after his father's execution in January 1649. ## The life of Edward, earl of Clarendon (1827 edition)

And he no sooner found himself at liberty, than he engaged in new intrigues, how he might destroy that government that was so near destroying him.

### **Edward Hyde, 1st Earl of Clarendon**

Young men were grown up, who inherited their fathers' malignity, and were too impatient to revenge their death, or to be even with their oppressors, and so entered into new combinations, as unskilful, and therefore as unfortunate as the former ; and being discovered even before they were formed, Cromwell had occasion given him to make himself more terrible in new executions, and to exercise greater tyranny upon the whole party, in imprisonments, penalties, and sequestrations ; making those who heartily desired to be quiet, and who abhorred any rash and desperate insurrection, to pay their full shares for the folly of the other, as if all were animated by the same spirit.

### **Stratigrafia ed osteoartromiologia; con stratigrammi e roentgenstratigrammi a cura degli assistenti.**

And the cause growing more public and notorious, though not known in a long time after to the king, exceedingly lessened both their reputations with the most sober men ; insomuch as they withdrew all confidence in their conduct, and all inclination to embark in the business which was intrusted in such hands.
