Carrickmacross Lace Beginners Hand Embroidery Kit

This technique actually looks like something I might be able to do and would love to win a kit and give it a try. I do not have a pair of curved scissors and although I have done some Tatting and needle lace I have never done the Carrickmacross nor even Heard of it. The most famous, or greatest designer could not have made a more perfect dress.

Location

Just recently started knitting lace but the beauty of needle lace compelling. Or google her, as she might have a blog site, or something.

Learn Carrickmacross Lace

Kits seem a great way to start as everything is there and searching for the right materials can be quite difficult.

Carrickmacross lace

I have done quite a bit of madeira applique, and since Carrickmacross utilizes applique technique at least this part will be familiar to me.

Handmade Irish Carrickmacross Lace

My dream is to be able to make my own designs, and incorporate lace into other needlework techniques. Thank you again Mary,for your generosity in making these giveaways possible. As I like to learn new things in lace making I feel this is the great opportunity.

20+ Carrickmacross lace ideas

I do a lot of white work and would love to try the Carrickmacross kit from Tanja Berlin. Mary had a completed design framed on the wall. And THEN I could tackle the file in my desk stuffed with projects related to Carrickmacross!! Also I have 2 granddaughters who could be married in the next couple of years and I would love to be able to do something with Carrickmacross lace for their weddings.
