Helen Rappaport's top 10 books on Lenin

Having had first access to this previously classified material, Service takes issue with the many biographies that tend to portray Lenin as either a sociopath or a savior. There is none of the strident cold-war dogmatism of Conquest or the russophobia of Pipes that often make their writings come uncomfortably close to political diatribes rather than analytical histories. .

Lenin: A Biography

His first step was to join the editorial board of Iskra The Spark , the central newspaper of Russian Marxism at the time. Service keeps the reader enthralled in his book with an intelligent and imaginative writing style that did not let me put his book down.

Helen Rappaport's top 10 books on Lenin

Lenin: A Biography is a biography of the Marxist theorist and revolutionary Vladimir Lenin written by the English historian Robert Service, then a professor in Russian History at the University of Oxford.

Vladimir Lenin Biography

Stalin just followed the path shown by lenin, albeit, with greater brutality. Widespread revolt against the Russian czar's government spread throughout the country, but was eventually put to an end by the government. And yet Lenin the man remains largely a mystery.
