Attitudes of Primary Care Physicians Toward Corporal Punishment

Journal of the American Medical Association, 267 23 , 3205-3208. We are not giving up an effective technique.

Corporal punishment in schools: Myths, problems and alternatives

William Glasser, a psychiatrist turned educator, whose technique for dealing with behavior problems in the schools has gained national recognition.

Delinquency, Corporal Punishment, and the Schools

When samples of delinquent and criminal subjects are investigated, the findings are similar. The negative effects of physical punishment may not become apparent for some time, Gershoff says. Foster maintains that corporal punishment is not the answer.

Delinquency, Corporal Punishment, and the Schools

Dobbin's lashings were very vigorous ones. Puerto Ricans usually strap the legs; one Puerto Rican social worker feels that this may be because of beliefs about the sanctity of the body.

Statement in response to the report of the Task Force of the Institute of Medicine as a Profession and the Open Society Foundation

Western schools, particularly those of the nineteenth century, have a history of remarkable brutality. Scott, The History of Corporal Punishment London: T.

Public defenders take issue with punishment task force report

First, the elimination of corporal punishment in Texas cities suggests that corporal punishment in public schools may be evolving from a largely

Southern phenomenon into a Southern rural phenomenon although corporal punishment is also practiced in many Texas suburban districts as well. WHO GETS HIT MOST, BY WHOM, AND WITH WHAT? In August 2013, APA consolidated its many anti-torture resolutions into a single, comprehensive policy.

The case against spanking

CYF and the unanimously approved a proposed resolution last year based on the task force recommendations. That was accomplished by the code continuing to limit downward departures recommended by sentencing scoresheets but removing the upward limit, which allowed prosecutors to begin plea negotiations by offering tougher sentences.
