This is a new print-on-demand hardback edition of the volume first published in 1925. It has a whiff of salt air, the clash of empires, cross-cultural beach encounters and personal adventure. A series on global exploration and discovery would not be complete without this book by Quanchi and Robson.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The tradition continued, that Lockerby did return, after several years, and accounted for his absence by saying that he had been marooned in the Fiji Islands, then not an uncommon way of disposing of troublesome pressed men.
