Glosbe е дом за илјадници речници.

Macedonian, English, makedonski, angliski, prevod, translation

The Serbian-English medical dictionary is the first dictionary of its kind in our country. The dictionary has illustrations of the major bodily systems and diagnostic techniques with terms in both languages. Many entries are enriched with new meanings, collocations, and idioms that have recently come into usage.

Macedonian, English, makedonski, angliski, prevod, translation

Za više informacija o kolačićima posetite: Благодарение на тоа, со додавање еден нов превод, десетици на нови преводи се создадени! Ние обезбедуваме не само речникот македонски - англиски, но речници за секој постоечки парови на јазиците - онлајн и бесплатно.

Makedonsko

The Serbian-English medical dictionary is the first dictionary of its kind in our country. Srpsko-engleski medicinski rečnik je prvi rečnik ove vrste u našoj sredini. All the forgotten or neglected Serbian terms have been included, as well as those modern ones currently in use in medicine.
