A portion of your purchase of this book will be donated to non-profit organizations. From a parent perspective, the book seemed to be considerate of the audience and tread carefully in areas of suicide, sexual activity, drug use, and similar items.

**Thinking about Psychology: The Science of Mind and Behavior / Edition 1 by Charles T. Blair**

With their extensive teaching and writing experiences, Charles Blair-Broeker and Randy Ernst know how to speak directly to students who are new to psychology. For a small fee you can get the industry's best online privacy or publicly promote your presentations and slide shows with top rankings. In a convenient and effective modular format, it presents psychological science in a rigorous yet non-threatening way, with immediate examples that help high school students bridge the abstract to the familiar.
