An Introduction to Dialectical Materialism

The development of mathematics was based on this logic. Hegel's conception of history is an evolutionary one, where there is nothing final or eternal. When the parts of the totality change, their relationship to the totality changes, and they themselves change.

Dialectical Materialism: An Introduction to Marxist Philosophy

The materialism of Francis Bacon 1561 - 1626 was then systemised and developed by Thomas Hobbes 1588 - 1679 , whose ideas were in turn developed by John Locke 1632 - 1704.

Introduction to Dialectical Materialism: The Marxist World

For example, it is a fact that the most advanced means of production, labor saving technologies, as they currently exist, are able to meet the basic needs of every person in the world. But that is not the whole story. They are intended to assist the student of Marxism by providing an introduction to the subject matter, with suitable Marxist texts that we hope will whet their appetite for further reading and study.

A Basic Introduction to Dialectical and Historical Materialism

The class struggle no invention of Karl Marx.

Dialectical Materialism

These revolutionary thinkers recognised no external authority. All events have causes, necessary events and accidental ones alike.

An Introduction to Dialectical Materialism

From the seventeenth century, the home of modern materialism was England. The dialectic of human history, which for Sartre is the be-all and end-all of dialectics, is the latest episode in the universal dialectic. To make use of the axiom A is equal to A with impunity is possible only within certain limits.
