**'We see more and more unaccompanied children on migrant boats'**

This worker pool includes the approximately 1. The result in 2019 may have been more migrants hurrying to cross the U.

**Migrant women and sexual and gender**

Female migrant workers may not have enough possibilities to care for their own children whilst being abroad.

**The influence of income and working time of rural migrant workers on health: The mediating effect of life stress and the moderating effect of marital status**

Attestation programs are likely to receive little oversight and review, and may amount to a government rubber stamp because the structure of the program assumes that most employers have a bona fide need for a guestworker.

**Indonesia: A Country Grappling with Migrant Protection at Home and Abroad**

Rationale: Nearly all temporary labor migration programs tie guestworkers to one employer, which has led to widespread abuse of workers who are afraid to report even the most serious violations of their rights for fear of retaliation and removal from the country. As with other programs not linked explicitly to labor shortages, governments usually allow multinational corporations to move managers and workers with specialized skills from one country to another with minimum bureaucracy.

**Indian migrant workers during the COVID**

Department of Homeland Security reviews, and then approves or denies, petitions for guestworkers that had an approved labor certification. Governments should also provide workers with information about their rights in the labor market and have effective complaint resolution mechanisms in place.

## **Indonesia: A Country Grappling with Migrant Protection at Home and Abroad**

Such costs cut further into the slim earnings of guestworkers and exacerbate the difficulties they already face in repaying accumulated debts.

### **Migrant worker**

Post-arrival enforcement is geared toward ensuring that guestworkers are treated and paid fairly by their employers according to program rules, and that employers and recruiters of guestworkers adhere to any other applicable program rules.
