It was rapidly translated into Dutch, German, Danish, Italian and English. Unlike Turgot - in his *Mémoire sur les municipalités* - Necker tried to install and hoped they could serve as an effective means of reforming the. He also has a big head.

Nicolas Fouquet

Much recent history on the period has demonstrated the gallantry of officers, as well as the numerous new tactics implemented by British high command in order to win the War. Follett prefers to rely on the popular imagining of waves of brave privates and NCOs being thrown repeatedly against barbed wire and machine guns while the officers sat safe in the dugouts.

Fall of Giants (The Century Trilogy, #1) by Ken Follett

It now occurs to me that there is every possibility that I am missing the sequel. Il est alors défendu par et , qui prononce un plaidoyer en sa faveur devant le Sénat.
