The Force of History: Critical Perspectives on the Historiography of Modern Italy

Putting this concept into practice means turning away from the traditional segregation of persons with disabilities. Anna Cento Bull, Professor of Italian Studies, University of Bath Anna Cento Bull is Professor of Italian Studies at the University of Bath. Many writers reviewed here stress the importance of changes in attitudes, behavior and socio-educational structures.

The Renaissance

One saturnine prophecy marred the otherwise sanguine 1926 report to the Surgeon General. Please contact our Customer Service Team if you have any questions.

A Brief Look at Italian History

Her work on Italy has been wide-ranging, covering the economy and society, culture and identity, contemporary politics, terrorism, and collective memory. Needs and provisions in the area of special education: The Case of Ethiopia.

Understanding Historical Perspective

Modern artists continually examined the past and revalued it in relation to the modern.

Lead Poisoning: A Historical Perspective

Voluntary Standard In 1927 the Surgeon General set a voluntary standard for the oil industry to follow in mixing tetraethyl lead with gasoline. During this period, belief in unbridled economic growth diminished.

A History of Modern Italy

Palla, Marco 1978 , Firenze nel regime fascista 1929-1934. Gillette, Aaron 2003 , Racial Theories in Fascist Italy. Modern Italy is now a democratic republic and has been since the modern constitution came into effect in 1948.

Historical perspectives of nursing and concepts of nursing

From the 1980s onwards, significant increases were also observed in Belgium, the Netherlands, and the UK. The addressees are, more than anything else, the new generation of scholars of the history of science.

Culture of Italy

Beginning with Volume 36, Issue No.
