The Arab Spring / The Arab Awakening

Since the Arab Spring, chaos seemed to have further engulfed the already volatile Middle East. The autonomous provinces were to be granted extensive rights, such as the right to invite foreign advisers at their own discretion, to contract foreign loans and to grant concessions. From the first, opinions varied regarding the type of training that should be given the Arabs.

The Arab Spring / The Arab Awakening

The total strength of this British Force was 1200 men, 8 artillery pieces, and a few armored cars. German efforts to exploit the Arab nationalist movements in these countries were therefore back where they began, when guerilla and other small-scale activities were directed and supported from a distance. The Arab Spring-uprisings, along with the geopolitical rivalry of Sunni Saudi Arabia and Shi'ite Iran, pushed the region into unchartered and dangerous waters.

Arab Revolt

Their duties mostly included unloading ships, transporting materials from train depots, bases and ports, digging trenches, cooking and maintenance, removing barbed wire and inoperable equipment, and burying soldiers.

World War I: Summary, Causes & Facts

Arab members of the parliament supported the , which aimed to dismantle the constitutional system and to restore the absolute monarchy of Sultan. The bulk of the units of the Generalkommando arrived at Budenovsk in mid-October, just in time to repel a thrust by the Russian IV Cavalry Corps against the open flank of the First Panzer Army.

The Ba'ath Party And Ba'athist Movement In The Arab World

They had had an excellent chance to deal the British a telling blow at Habbaniya, and had failed to take it. On another occasion two Arabs were teasing a soldier about his homosexual inclinations. A leadership council for the Syrian opposition formed in August, and opposition militias began to launch attacks on government forces.
