## Volpone

Joking about an attempted rape towards one of the only two female characters neither of which have an agenda of their own--an inevitable comparison that rises from having recently read both Kyd's and Webster's tragedies was nowhere near a laughing matter. Let me live, Where I may please your fears, if not your trust. It had such an influence on the playwrights and poets of the Jacobina and Carolina times that there is no possible parallel.

## Aubrey Beardsley: On Volpone, by Ben Jonson

After fooling each man, and even getting Corbaccio to disinherit his son, Volpone learns that Corvino has a beautiful wife named Celia , and he decides to try to woo her. NAN: Spoke true, as thou wert in Pythagoras still. CEL: Would my life would serve To satisfy— CORV: S'death! For hell's sake, rid her hence.

## Volpone Quotes by Ben Jonson

CORB How does your patron? Dramatic irony works to enhance our emotions in response to what happens on stage because of the feeling of superiority we get when being in the know. In the minds of the people at the time, Northern Italy was still the centre of the universe, and anybody who was anybody would want to be connected with the power brokers of the region.

Now, sir, your onion, which doth naturally Attract the infection, and your bellows blowing The air upon him, will show, instantly, By his changed colour, if there be contagion; Or else remain as fair as at the first. And hath brought A piece of antique plate, bought of St.

### **Volpone by Ben Jonson Plot Summary**

For these not knowing how to owe a gift Of that dear grace, but with their shame; being placed So above all powers of their gratitude, Began to hate the benefit; and, in place Of thanks, devise to extirpe the memory Of such an act: wherein I pray your fatherhoods To observe the malice, yea, the rage of creatures Discover'd in their evils; and what heart Such take, even from their crimes:—but that anon Will more appear.
