History sba

Racism runs in all directions I see it every day and probably accused of it. This disease was an infection of the intestines resulting in frequent bowel moments, vomiting, severe abdominal pain, headaches and high fevers. As the trade developed and became an increasingly important part of international commerce; to keep some of the slaves from dying, they made an effort to prevent most disease from spreading.

Brainwashed: Challenging the Myth of Black Inferiority

Thanks for the comment, Mr. A few people learned to access the Akashic record. When I was a boy of maybe 5 or 6 years in 1962 I visited a small rural town just outside of Memphis, TN.

Middle Passage

Gina; I do not deny the horrors of slavery. Africans had been —reaching Europe via the Islamic-run, trans-Saharan, trade routes. However, to all my reading my understanding has been entirely that even contemporaries regarded conditions of transit for slaves as being rather horrific, by contemporary standards.

How many slaves made the Middle Passage? How many died?

Among the slavers was a clear preference for fifteen to twenty-five-year-old males, who represented about two thirds of the captives.
