ACEP and Containers

Determination by the Maritime Safety Committee of the dates referred to in this paragraph shall be by a two-thirds majority of those present and voting, which majority shall include a two-thirds majority of the Contracting Parties present and voting.

International Convention for Safe Containers (Geneva 1972)

The pads shall be centralized under the fittings and shall be of approximately the same plan dimensions as the fittings. When satisfied, the Administration shall notify the applicant in writing that the container meets the requirements of the present Convention and this notification shall entitle the manufacturer to affix the Safety Approval Plate to every container of the design type series.

Convention for safe containers (CSC 1972): 9789280115932: spaceneb.us.to: Books

Article II Definitions For the purpose of the present Convention, unless expressly provided otherwise: 1.

ACEP and Containers

The end-walls of containers which do not have open sides or side doors may be tested separately or simultaneously.

The International Convention for Safe Containers, 1972

If, however, the end-walls are designed to withstand a force of less or greater than 0.

The International Convention for Safe Containers, 1972

In 1983 the original re-examination interval under Periodic Examination Scheme PES was extended to 30 months and the Approved Continuous

Examination Program ACEP was adopted as an alternative to provide container owners with a choice of schemes to utilize to meet their container examination requirements.

CSC Training

Amendments to the International Convention for Safe Containers of 2 December 1972 London, 4 November 1993 THE ASSEMBLY,
RECALLING Article IX of the International Convention for Safe Containers CSC , 1972, on the procedure for amending any part of the
Convention, HAVING CONSIDERED the amendments to the International Convention for Safe Containers CSC , 1972, adopted by the
Maritime Safety Committee at its sixty-first session and communicated to all Contracting Parties in accordance with paragraph 2 a of Article IX of
that Convention, 1.
