## [PDF] Challenges of implementing internal control systems in Non

Providing a grassroots solution to a global energy crisis, Solar Sister combines the breakthrough potential of clean energy technology with a deliberately women-centered direct sales network. AFC and Harith joined forces in June 2016 to form the Anergi Group and, on 5 December 2017, Anergi was formally established.

## Global Civil Society

In addition, collaborating with a local advisory board as well as partners who were committed to long-term change were important lessons learned from implementing a successful intervention.

## Comparative Nonprofit Sector Project (CNP)

In particular, because informal providers typically work outside the purviews of a regulatory framework, there is little information on the quality of services delivered by IPs. As chair of the finance committee, the board treasurer makes sure the committee does its job.

## Comparative Nonprofit Sector Project (CNP)

Reykjavik Geothermal is a geothermal power development company active in Ethiopia, Rwanda, Burundi, Democratic Republic of the Congo, Kenya and Tanzania. With four years of operational experience in the region, PowerGen offers a high level of technical competency paired with deep local operating knowledge in East Africa. Over the course of typically 18 months, the purchase of scratchcards allows the system to be paid off and the customer can choose to either unlock their Azuri system forever or upgrade to a larger model.
